

# OMEXOM

## SUSTAINABILITY COMMITMENTS

**1** Support leaders who embrace and foster a culture of innovation to create value for clients and shareholders.

**2** Ensure transparency in our own practices and those of our subcontractors and suppliers.

**3** Develop enduring relationships with customers, subcontractors and suppliers.

**4** Act for the climate, preserve natural environments and optimise resources.

**5** Ensure the safety and wellbeing of our employees and those who may be affected by our activities.

**6** Take positive steps to attract, retain and develop a workforce which is representative of the wider community.

**7** Invest in the training and development of our employees.

**8** Ensure that our employees are given an opportunity, wherever possible, to share in our economic success.

**9** Improve opportunities and quality of life for those disadvantaged members of the communities in which we work.

### Economy

### Community

### Environment

Omexom is committed to conducting business operations in a responsible and sustainable manner, minimising the impact on the environment. We seek to make a positive contribution to the communities in which we operate, while achieving a satisfactory return for our shareholders.

Omexom and Omexom New Zealand are trading names of Electrix Limited.
